ARTICLES OF FAITH

We, the messengers of the several churches composing the Little River Primitive Baptist Association, agreed for the satisfaction of our brethren and friends, to publish an abstract of the principles of faith upon which we unite and will endeaver with the help of the Lord to maintain.

1. We believe in the being of God as Almighty, eternal, unchangeable and that this God has revealed Himself in His word, under the character of Father, Son and Holy Ghost.

2. We believe that Almighty God has made known His mind and will to the children of men in His word, which word ye believe to be a divine authority, and contains all things necessary to be known for the salvation of man. The same is comprehended or contained in the books of the Old and New Testament.

3. We believe that God before the foundation of the world, for a purpose of His own glory, did elect a certain number of men and angels to eternal life and that the election is particular, eternal and unconditional on the creature's part.

4. We believe that when God made man he was good and up-right, but by his own transgression he fell from that good and up-right state, and being the head representative of the whole human race, they being his natural offspring, he involved all of them in the same ruined state with himself, and they were partakers of, and exposed to the miseries which sprang from his disobedience.

5. We believe that it is utterly out of the power of man as a fallen creature to keep the law of God perfectly or to truly repent of his sins or believe in Christ, except he be drawn by the Holy Spirit.

6. We believe in God's own appointed time and way the elect will be called, justified, pardoned and sancified, and that it is impossible that they can utterly refuse the call but shall be willing by divine grace to receive mercy.

7. We believe that justification in the sight of God is only by the infinite wisdom, power, justice, goodness, mercy truth, imputed righteousness of Jesus Christ, received and applied by faith.

8. We believe that those that are called by grace and born again, will persevere in holiness and never fall finally away.

9. We believe it to be a duty incumbent on all God's people to walk religiously in all God's works, not in the old covenant way of seeking life and favor of the Lord by it, but only a duty from a principle of love.

10. We believe baptism by immersion and the Lord's Supper are gospel ordinances, both belonging to the converted or true believer.

11. We believe that every church is independent in matters of discipline, and that associations, councils and conferences of ministers or churches, are not to impose on the church, the keeping, holding, or maintaining any principle or practice contrary to the churches' judgment.

12. We believe in the general resurrection of the dead, both of the just and unjust, and final judgment.

13. We believe the punishment of the wicked is everlasting and the joys of the righteous eternal.

14. We believe that no minister has a right to administer the ordinances unless called and comes under the imposition of hands by the presbytery.

FORM OF GOVERNMENT

1. The Association shall be composed of members chosen by the Churches in the Little River Association, who shall be members supposed to be the best qualified for that purpose, and those producing letters from their respective churches, certifying their appointment, shall be entitled to seats in the Association provided the church is at peace at the time appointment is made.

2. In the letters from the churches shall be expressed the number of members in full fellowship, the number received by experience of baptism, the number received by letter, the number dismissed by letter, and the number excommunicated, and those who died since the last Association was held.

3. Members thus chosen and convened shall be denominated the Little River Primitive Baptist Association.

4. The Association, when convened, shall be governed and ruled by regular and proper decorum.

5. The Association shall have a Moderator and Clerk, who shall be chosen by members composing it. The Moderator to be chosen annually at each Association, the Clerk to continue in office during his pleasure or the pleasure of the Association.

6. New churches may be admitted into the union by a written petition presented by messengers, with letter, and upon examination, if found orthodox and orderly, it may be manifested by the Moderator giving the messengers the right hand of fellowship.

7. Every church in the union shall be entitled to representation in the Association, but shall have only three messengers from each church.

8. Every query presented by any messenger in the Association shall be read, and before it shall be debated the Moderator shall put it to vote whether or not it shall be debated; and if a majority votes for debating, the query shall be debated: otherwise the query must be withdrawn.

9. Every motion made by any messenger which received a second shall be considered by the association, unless it be withdrawn by the messenger offering it.

10. The Association shall furnish the churches in the union with Minutes of its proceedings.

11. We believe it to be absolutely necessary to have a fund for defraying the necessary expenses of the Association, and recommend that each church composing it voluntarily contribute such sum as they think proper, and send by their messenger to the Association, which money shall be placed in the hands of the Clerk, who shall account for the same, and pay it out as directed by the Association.

12. The Clerk shall have a book wherein shall be recorded the proceedings of each Association, as well as a record of the date of each Association, and when Associations are held at different churches in the union, for which he shall receive a yearly compensation.

13. The Association shall provide for the general union of churches and shall preserve inviolably a chain of communion among the same; shall give churches all necessary advice when called upon to do so; shall inquire into the cause of failure on the part of any church not represented at each Association; shall appropriate the money contributed by the church for Association fund to any purpose it deems proper; may appoint any member or members by and with their consent to transact any business connected with the Association; shall have power to withdraw from any church composing the union, which violates the rules of the Association or deviates from the orthodox principles of our faith.

14. Visiting brethren may be invited to assist in the Association in every way except to vote.

15. Amendments may be made to this form of government at any time by a majority vote.

16. The minutes of the Association shall be read and approved and signed by the Moderator and Clerk before adjournment.

RULES OF DECORUM

1. The Association shall be opened and closed by prayer.

2. Only one person shall speak at a time, who shall rise from his seat and address the Moderator in the beginning of his speech.

3. Every brother speaking shall adhere strictly to the subject under consideration and shall in no way reflect on any brother.

4. No messenger shall absent himself from the Association while in conference without permission.

5. No messenger shall speak more than three times on the same subject, without permission from the Association.

6. Messengers shall keep strict order while the business of the Association is being transacted.

7. No messenger shall be interrupted while speaking unless he violates the rules of the decorum.

8. No messenger shall address another in other terms or appellation than the title of Brother.

9. The names of the members composing the Association shall be enrolled by the Clerk and called over as often as the Association requires.

10. The Moderator shall not speak on any question before the Association until all the other members are through speaking, whom he may give his views, after which messengers having a right to speak, may reply to any new matter introduced by the Moderator.

11. Any member who shall violate any rules of the Association shall be dealt with by the Association as it deems proper.
